

Summer Youth Service Learning

~MILWAUKEE, WI~

Mission Trip Opportunity

Consider Milwaukee, WI and Lutherdale as your Host!

We at Lutherdale have long-standing partnerships with various churches and organizations in the Greater Milwaukee Area. Early in the week your group would have the opportunity for team building activities, growing even closer as a group, before serving and learning in Milwaukee, for the rest of the week. This All-Inclusive program would include lodging, food, cultural-immersion experiences within the neighborhoods of Milwaukee, self-reflection, play, and worship. We also pray that the Spirit would move amongst your group to foster conversations about exploring the call to service and vocation, not only during your week of mission in Milwaukee, but also back home!
