

# CAMPERSHIP REQUEST FORM

Lutherdale has over 75 years of experience in summer camping. Our program model is set up around small groups so that every camper has a cabin leader that will invest in, care for, and nurture them. Each camper gets time to try and practice new activities and leadership skills to learn more about what they love. Every day, all week long, campers are accepted and celebrated for exactly who God made them to be.

Not every family has access to a summer camp experience. Lutherdale has a policy that no child will ever be turned away for financial reasons. PLUS, every camper week is subsidized through our Let the Children Come Annual Fund so that camp is more financially accessible for all families. Camperships are supported by a number of contributing individuals, families, and congregations, making it possible for campers to experience God's love in a powerful way!
