CABIN COVENANT Cabin groups set rules and expectations for how they live and play together at Lutherdale.

VILLAGE ACTIVITY A Village consists of two cabins in the same age group. Each Village will rotate through some of the traditional camp activities listed above such as swimming, Bible study, nature activities, archery, etc.

FLOP ON BUNK This is scheduled, rest time for cabin groups – and provides quiet space during the busy, active day. Campers can take a nap, write letters, play silent card games, read books, journal, or talk quietly with cabin mates.

CABIN TIME Cabin groups prepare for leading Worship, or enjoy small group conversations and games.

ALL CAMP ACTIVITY All Villages gather for an activity together for outdoor games, relay races, and creative play.

WORSHIP All campers gather to Worship at the end of the day with song, skits, and readings.

MORNING GOD MOMENTS Devotion time to grow in faith by listening to music, reading, or taking in God's Creation.
