- Zipline

**VILLAGE ACTIVITY** A Village consists of two cabins in the same age group. Each Village will rotate through some of the traditional camp activities listed above such as swimming, Bible study, nature activities, archery, etc.

**ACTIVITY BY CHOICE (ABC's)** Cabin Leaders design activities beyond the traditional camp activities listed above. ABC's are based on fun and unique passions of staff. Examples of ABC's may include yoga, dance, designing comic books, chess strategy, making bread, and more! Individual campers will choose an activity of interest and attend with other campers whom have also chosen that specific activity.

**FLOP ON BUNK** This is scheduled, rest time for cabin groups – and provides quiet space during the busy, active day. Campers can take a nap, write letters, play silent card games, read books, journal, or talk quietly with cabin mates.

**CABIN TIME** Cabin groups plan the next day's schedule, prepare for leading Worship, or enjoy small group conversations and games.

**ALL CAMP ACTIVITY** All Villages gather for an activity together. Campers meet new friends through outdoor games, relay races, and creative play.

**WORSHIP** All campers gather to Worship at the beginning and end of each day. Daily Bible Study themes are led by staff and campers with song, skits, and reading.
