ITINERARY

Day 1: Board your motorcoach and set off for LeClaire, Iowa. On the way, stop at the quaint town of Dyersville, Iowa for a self-guided tour of the National Farm Toy Museum. Then visit the Field Of Dreams for a tour of the “Most Magical Place on Dirt”. End the day at your hotel in LeClaire, Iowa.

Day 2: Today, after enjoying a continental breakfast, you will board the Riverboat Twilight and be welcomed with pastries and a light breakfast. Take this time to enjoy the boat and get acquainted with what it has to offer. During the cruise, the Captain will regularly give instructions and history of the towns we pass. We will also go through locking dams. After a snack and lunch, enjoy live entertainment or snooze in the sun. Don't forget to get your picture taken with the Captain! After dinner aboard the boat, you will arrive in Dubuque, Iowa and settle into your hotel for the night.

Day 3: Enjoy a continental breakfast before enjoying the many Port of Dubuque attractions including the National Mississippi River Museum and the Port of Dubuque Ice Harbor. Board the boat for a late morning departure, and enjoy lunch while you cruise back towards LeClaire. After lunch, challenge your group to the trivia contest on board and enjoy an afternoon snack, entertainment, and dinner. Depart the boat at 7 pm and return to your hotel.

Day 4: After a continental breakfast, you will head towards Lutherdale, stopping at Galena, Illinois for a tour of the charming town and a self-guided tour of the US Grant Museum. Head home and return to tell friends and family of the wonderful memories you made.
