SUMMER 2019 THEME: Love. Serve. Transform.

The first followers of Jesus were transformed through their association with him and were profoundly changed by his teachings and by his friendship with them. But it was the way those followers lived together, how they ordered their community life, that got the world's attention after Jesus physically left the earth. The Christian community drew people to it because it was so different from what they otherwise knew about life together. In a harsh world it offered a way of living together that stood in stark contrast to the prevailing cultural norms and religious expectations. The world also took note that the early gatherings of believers seemed to be charged with an especially vital spirit of purpose and joy. The Christian community was an agent of change at that time because of its radical practices of generosity, inclusion, justice, compassion, and forgiveness—and more so because it was sustained in those practices by the teachings of Jesus and the spirit of God's transforming love.

Health Care:

Lutherdale's Health Care Manager is responsible for managing the health concerns for the entire camp. The care we give includes dispensing of medication and addressing medical emergencies. Lutherdale is governed by Wisconsin State Law and American Camp Association (ACA) Standards. The laws of the state and the ACA standards obligate us in the dispensing of medications. We can only dispense prescription medication as it is written on the accompanying prescription bottle. Please bring medication in its original bottle. If the prescription has changed, please have your doctor or pharmacist indicate this. We can only dispense medications that are prescribed to the camper by a physician.

To minimize the number of over the counter medications brought to camp, we stock, and can supply the following: Tylenol, Benadryl, Sudafed, Cough Syrup, Caladryl, Tums, Cough drops, Hydrocortisone cream, and Neosporin. Great care is taken in the use of any and all drugs to promote the best health of everyone in camp.

We only administer ibuprofen if you have indicated that it is OK on the camper's health form. Lutherdale follows a set of standing order procedures that are reviewed on an annual basis by a physician. If your child has a special medical condition or need, please let us know before they come to camp so we can prepare for them. Please feel free to call the camp if you have any questions or concerns.

Waterfront Safety:

Zebra mussels are small, clam-like animals that cling to hard submerged surfaces. The shells of these animals are sharp and can cause cuts on unprotected skin. We are asking that all campers who plan on being in the lake wear shoes of some kind: sandals, aqua socks, or old tennis shoes. This will reduce the risk of injury to the camper, as well as help us coexist with the mussels.

The cost is \$15 for one session and can be included with your on-line account registration or upon camper check-in.

Camp Store: The Canteen

The canteen is open daily for campers to purchase clothing, souvenirs, snacks, and beverages. We do not use cash in our store during the summer. For campers we set up a canteen account. Parents deposit money into their child's account at Check-In or in your on-line account. Whatever your camper doesn't spend during their stay will be returned to them on Friday in cash. Snacks & beverages cost \$0.75 to \$3.00. Campers are limited to three snack items a day. We have souvenirs that range in price from \$3 to \$20, and clothing that range in price from \$15 to \$60. The canteen is not open during registration. We will have the canteen open after the closing program for everyone.

Lutherdale Offering:

Campers will be given an offering slip that will allow them to give a portion of their canteen money to Lutherdale's ministry. We feel it is important for both adults and youth to have the opportunity to give something back to a God that has shown so much love. It's amazing what a 25 cent or \$2 offering can do when placed in God's hands. Lutherdale sends a portion of the offering money to our mission project which is Camp Roig in Puerto Rico.

Special Offering – School Kits

Help give a child the opportunity to go to school. We are collecting the following **new** supplies this summer to make School Kits. These supplies mean the difference between getting an education or not. Many families cannot afford these supplies for their children.
