

Annouces The 2020 KeyNote Presentation

A JOURNEY TO A MORE ABUNDANT PHYSICAL & SPIRITUAL LIFE

How does God guide us to care for our body and spirit?

Join us for an experiential presentation from the creators of **Come Alive!**

Our Audience will be Participants! You Will...

- **Discover spiritual practices** to strengthen your relationship with God
- **Eat delicious natural whole foods that naturally reduce inflammation**
- **Experience activities** that bring a more peaceful rhythm to daily life
- **Be encouraged & encourage others** as Christian believers on your wellbeing journey

*Angela Stephenson,
Come Alive! Program Developer*

*Maryanne Kyle,
Come Alive! Program Developer*

Come Alive! is a Christ-led small group Bible study program built upon 3 Bible-based principles:

Seek God First, Love & Be Loved, and

Honor God with Your Body. It's faith-led and science based.

A successful study of a pilot program is published in a CDC journal.

Learn how to bring Come Alive! to your small group at www.LivingAbundantlyMinistries.org

Join the movement to connect faith and health!
