SUMMER 2020 THEME: Continuing the Journey Together

This summer campers and their leaders will explore the stories of familiar Bible characters and their responses to God's call and promised faithfulness in the midst of life's unpredictability and challenges. The promises of God, first made to Abraham and Sarah, include a place to live, a purpose to live out, and a posterity to carry on God's promises to all future generations. Freed from fear, we step out, trusting that missteps will not destroy us, that God's guidance will take us where God has called us to go, creating relationships based on care and compassion. This Bible study focuses on how the enduring love instilled in the promise to Abraham and Sarah continue through Old Testament characters, to Jesus, to the early church, and on to YOU! God's love endures forever, continue the journey together!

Health Care:

Lutherdale's Health Care Manager is responsible for managing the health concerns for the entire camp. The care we give includes dispensing of medication and addressing medical emergencies. Lutherdale is governed by Wisconsin State Law and American Camp Association (ACA) Standards. The laws of the state and the ACA standards obligate us in the dispensing of medications. We can only dispense prescription medication as it is written on the accompanying prescription bottle. Please bring medication in its original bottle. If the prescription has changed, please have your doctor or pharmacist indicate this. We can only dispense medications that are prescribed to the camper by a physician.

To minimize the number of over the counter medications brought to camp, we stock, and can supply the following: Tylenol, Benadryl, Sudafed, Cough Syrup, Caladryl, Tums, Cough drops, Hydrocortisone cream, and Neosporin. Great care is taken in the use of any and all drugs to promote the best health of everyone in camp.

We only administer ibuprofen if you have indicated that it is OK on the camper's health form. Lutherdale follows a set of standing order procedures that are reviewed on an annual basis by a physician. If your child has a special medical condition or need, please let us know before they come to camp so we can prepare for them. Please feel free to call the camp if you have any questions or concerns.

Waterfront Safety:

Zebra mussels are small, clam-like animals that cling to hard submerged surfaces. The shells of these animals are sharp and can cause cuts on unprotected skin. We are asking that all campers who plan on being in the lake wear shoes of some kind: sandals, aqua socks, or old tennis shoes. This will reduce the risk of injury to the camper, as well as help us coexist with the mussels.

Tower & Zip Line

Lutherdale's 40 foot climbing tower and 400 foot zip line is available for campers during their week of camp. **This program is limited to those attending a week long program and can fit safely into one of our harnesses.** If a camper is interested in this program you will need to sign up in advance. The cost is \$15 for one session and can be included with your on-line account registration or upon camper check-in.

Camp Store: The Canteen

When campers arrive they will be able to add money to their camp store account. Families may send cash or a check made out to "Lutherdale". Families can save time at check-in by adding money ahead of time to their online account. The deadline to add money to camp store accounts online 4 days before their scheduled session.

We recommend that each camper has at least \$5 in their camp store account. Most campers bring around \$30.

Campers are typically given time each day to purchase a drink, candy, healthy snacks, ice cream, and clothing. Campers are limited in the number of consumable items purchased at each visit. Campers may not keep any food items or cash in their cabins. The Camp Store will also be open for purchases of camp gear and souvenirs during registration and pick-up times.

Lutherdale Camper Offering:

Campers will be given an offering slip that will allow them to give a portion of their canteen money to Lutherdale's ministry. We feel it is important for both adults and youth to have the opportunity to give something back to a God that has shown so much love. It's amazing what a 25 cent or \$2 offering can do when placed in God's hands. Lutherdale sends a portion of the offering money to our mission project which is Camp Roig in Puerto Rico.

Special Offering – School Kits

Help give a child the opportunity to go to school. We are collecting the following **new** supplies this summer to make School Kits. These supplies mean the difference between getting an education or not. Many families cannot afford these supplies for their children.
