

Questions Related to the COVID-19 Pandemic

Updated 5.8.2020

Lutherdale continues to monitor the pandemic situation and its impact on our summer camp ministry. We are waiting for a report that the American Camp Association and the CDC have been working on with guidelines for reopening camps this summer. Our Board of Directors will be reviewing the recommendations and make a decision about our summer program before the end of May. We have delayed our summer start date to July 5th and are making the necessary schedule changes.

All registered camper families will be notified directly at that time. Watch for updated information on our website and social media sources.

Is Lutherdale open?

Like many organizations and businesses we are TEMPORARILY closed to the public to prevent the spread of COVID-19. Current government direction bans gathering until at least May 26, 2020.

At that time, we will re-evaluate our ability to host guests on site.

Can we reserve a facility or activity for the future?

Yes, we are taking reservations for future activities. To check availability, you may reach our Registrar at 262-949-2286, Mon- Fri, 8:30 am - 4:30 pm.

We are excited about the opening of our new Conference Center, we are taking reservations for the new facility beginning in late August.

Will there be programs or events at Lutherdale this summer?

At this point in time, we are waiting for further direction from state and local health officials.

We are still actively planning for programs this summer to be prepared when the ban on gathering is lifted.

Are you still taking summer camp registrations?

Yes, summer camp registration is still open. Please see our summer schedule on our website for weeks and programs that still have availability.

Are you offering refunds?

All deposits are non-refundable. However, Lutherdale will do everything we can to reschedule campers and retreat groups for a future date.

How can I help Lutherdale?

This is a challenging time for Lutherdale, which relies on both donations and fees to operate the ministry. We do need your help for us to see and ensure a brighter future. We appreciate any and all donations during this difficult time.

Health and Safety at Lutherdale in light of COVID-19

Lutherdale follows state and local health department guidelines. As an American Camp Association Accredited Camp we follow additional standards to ensure a quality and safe camp experience. We are reviewing and implementing new policies to help prevent the spread of sickness while campers and guests are on site.
